# ***We Miss All These Wonderful People We Have Lost This Past Year***

---

## **Judy Zimilover ע"ה**

From the day we moved into West Hempstead, some 52 years ago, you took us under your wing, treated us like family and taught us everything we needed to know about West Hempstead with your amazing sense of humor!! You always opened your check book to the needs of the Friendship Circle.

## **Shani Nagler ע"ה**

In 1960 I was lucky to be your Assistant Counselor in a little daycamp called Camp Holiday on Beach 9<sup>th</sup> St. in Far Rockaway. I fell in love with you immediately and you were my mentor then, and continued to be my mentor when you moved into West Hempstead. Your assistance in working for Chabad knew no limits and your advice was invaluable.

## **Roberta Grad ע"ה**

Although we only met when you moved into West Hempstead 2 years ago, your impact on me and the community was incredible. You immediately got involved in the Chabad Spa Day, Chaya Rochel's classes and the book club. We had so much fun together and I was counting on continuing that relationship.

## **Robert Gittleman ע"ה**

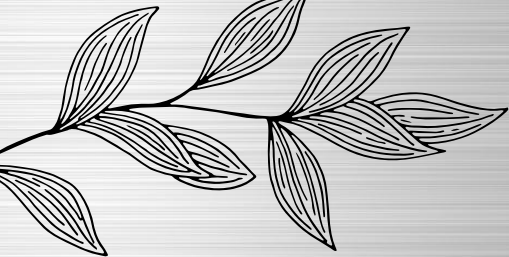

You and Shira were a team - a great team. Together you opened your home weekly, or 2- 3x a week for the Spa Capella rehearsals. Shiraput it all together and you gave her support.

**JONI & MICKEY NATHANSON**

**We Honor Chaya Rochel & all the volunteers for  
the work they do for The Friendship Circle.**

**We honor all the Volunteers, First Responders, Hatzalah  
& Medical Professionals who have been working non-stop**

**Thank You to Sender Gross for putting this  
Journal together & to all the volunteers on the  
committee who made this Zoom Chabad Spa  
Day come to fruition. We will keep the  
Friendship Circle running!!**
